## CONTENT DISTRIBUTION

We repurpose and distribute your existing content on an AZoNetwork site to reach a highly relevant target audience.

(Please note, we repurpose the content between 70-80% in order to create SEO-optimized content that Google recognizes as unique.)

Content distribution includes product listings, articles and webinar listings.

**Please provide the following information:**

- URL(s) of the selected webpage(s)
- For articles: any white papers, application notes, case studies etc.

**We will repurpose the content and send you a preview to edit and/or approve.**

## CONTENT CREATION

We create unique, informative, and engaging content to help you tell your story to the right people at the right time.

**Please complete our Content Creation Brief [here](#).**

Once submitted your Editorial Account Manager will receive the brief and submit to our content team.

**You will receive a draft of the content creation piece to edit and/or approve. There are two rounds of edits included with each piece.**
