

# WEBINAR LISTINGS

Give your on-demand webinar content a new lease of life with our scientific webinar listings package. Increase your webinar reach, generate new leads and drive new business.

-  **Continue to educate your audience**
-  **Increase on-demand views and drive new registrations**
-  **Generate new leads for your business**

## THE PROCESS:

**1**

Send us your existing webinar content.

**2**

We produce an optimized scientific webinar listing.

**5**

...and with email marketing.

**6**

AZO Intel measures who engages and interacts with each piece.

**4**

Promote via our social media channels...

**3**

We publish on the AZoNetwork.
